## ORDINANCE OF JERSEY CITY, N.J.

COUNCIL AS A WHOLE  
offered and moved adoption of the following ordinance:

CITY ORDINANCE 19-006

**TITLE: ORDINANCE AMENDING §257-6 (PROPERTY TRANSFERS), AND CHAPTER 332 (VEHICLES & TRAFFIC) ARTICLE VII (METERED PARKING), AND ARTICLE VIII (PERMIT PARKING), OF THE JERSEY CITY MUNICIPAL CODE**

**THE MUNICIPAL COUNCIL OF THE CITY OF JERSEY CITY HEREBY ORDAINS:**

**WHEREAS**, municipalities can and have regulated parking; and

**WHEREAS**, a growing number of residents and businesses have led to a need for more parking enforcement in Jersey City; and

**WHEREAS**, because of the expanding needs of Jersey City residents, the Mayor and Council have concluded that residents can be better served by adding more residentially zoned streets and increasing enforcement hours

**NOW, THEREFORE, BE IT ORDAINED** by the Municipal Council of the City of Jersey City that:

**A. THE FOLLOWING AMENDMENTS TO §257 (PROPERTY TRANSFERS) (§257-6), AND CHAPTER 332 (VEHICLES & TRAFFIC), ARTICLE VII (METERED PARKING), ARTICLE VIII (PERMIT PARKING), ARE HEREBY ADOPTED:**

**§ 257-6. - Disclosure of availability of zoned parking permits for residential buildings.**

- A. As used in this sub-chapter, "Residential Building" is defined as any structure containing five (5) or more units, including any unit therein, that is offered for sale or lease, for occupancy in whole or in part, as a residence or sleeping quarter by one (1) CU or more person.
- B. The seller or landlord, as appropriate, of any residential building located within a zone designated for restricted parking pursuant to Section 332-60 and Schedule 24 of the City Code, shall furnish the prospective buyer or prospective tenant with a copy of the notice appearing in Section C. below, prior to the following events:
  - (1) Sales: the signing of a contract of sale or the acceptance of a deposit for sale of a unit in any residential building, whichever occurs first: or
  - (2) Leases: the signing of a lease or the acceptance of a deposit for a lease of a unit in any residential building, whichever occurs first.
- C. The notice shall be in the following form and printed or typed in a font of at least ten (10) point

**NOTICE REGARDING ON STREET RESIDENTIAL PARKING PERMIT ZONES**

RE: \_\_\_\_\_

(address)

Generally, as a matter of law, the City will not issue an on-street residential parking permit to a resident of this building because the building was required to provide off-street parking for its residents when it was constructed. The City requires that a landlord or seller make you aware of this fact before you agree to rent or buy a residence in the building. There are limited exceptions to the prohibition on the issuance of on-street permits. To determine whether or not you qualify for one of the exceptions, you need to read Section 332-58 of the Jersey City Municipal Code, which is available at

[https://www.municode.com/library/nj/jersey\\_city/codes/code\\_of\\_ordinances](https://www.municode.com/library/nj/jersey_city/codes/code_of_ordinances) or contact the Division of Parking Enforcement at 201-653-6969.

[initials] Because an on-street residential parking permit is not available to residents of this building, I understand that if I rent or purchase a residence here, I will be required to pay for parking and I will NOT be eligible for an on-street residential parking permit unless I qualify for one of the exceptions.

[initials] The landlord or seller informed me that off-street parking for a resident of this building is available at the rate of \$ \_\_\_\_\_ per month.

[initials] I was shown this form and read it, prior to signing my lease or contract to purchase.

[initials] I understand that if I am eligible for an exception, I am limited to one residential permit per unit. I am ineligible for any other residential permits.

\_\_\_\_\_  
Signature of Prospective Tenant or Purchaser      Date

D. The seller or landlord, as appropriate, shall

- (1) Obtain the signature of the prospective tenant or buyer acknowledging that he or she has timely received a copy of the above notice; and <sup>1</sup>
- (2) Retain a copy of the prospective buyer's or tenants signed written acknowledgment of receipt of the above notice for at least three (3) years. The seller or landlord shall submit a copy of the signed notice to the City upon ten (10) days' notice.

## ARTICLE VII

### Metered Parking

§ 332-47. No Changes.

§ 332-48. - Designation of parking spaces.

The Division of Parking Enforcement is hereby directed and authorized to provide for the marking off of individual parking spaces in the parking meter zones designated and described below, said parking spaces to be designated by lines painted or marked on the curbing or surface of the street or lot. At each space so marked off, it shall be unlawful to park any vehicle in such a way that said vehicle shall not be entirely within the limits of the space so designated. When a parking space in any parking meter zone is at right angles or diagonal to the curb, sidewalk or island, any vehicle parked in such a parking space shall be parked with the front of the vehicle facing such meter.

- A. On-Street Parking Meter Zones. Parking or standing a vehicle in a parking meter space in the on-street parking meter zones described below shall be lawful during the hours of 9:00 a.m. to 6:00 p.m., Monday through Saturday, excepting official State holidays, and only upon the deposit of such amount as is indicated for each specified period of time:

**ORDINANCE AMENDING §257-6 (PROPERTY TRANSFERS), AND CHAPTER 332 (VEHICLES & TRAFFIC) ARTICLE VII (METERED PARKING), AND ARTICLE VIII (PERMIT PARKING), OF THE JERSEY CITY MUNICIPAL CODE**

**Initiator**

Department/Division		
Name/Title	Councilman Solomon

Note: Initiator must be available by phone during agenda meeting (Wednesday prior to council meeting @ 4:00 p.m.)

**Ordinance Purpose**

1. Extending the hours of enforcement from 8am-5pm with 2 hour anytime parking to 7am-11pm, with 3 hour anytime parking.
  - o The main purpose of this change is to ensure residents without private parking are using the extremely limited street parking in downtown. In the evenings, many residents of new buildings with private parking utilize city streets instead of the parking built with the building. That creates a significant shortage of spaces in downtown.
  - o The 3 hour window is done to ensure that anyone from the rest of the city can drive to downtown and enjoy dinner or shopping with ample time to return to their car before being ticketed.
2. Extending the hours of meter enforcement from 9am-6pm to 9am-9pm.
  - o The main purpose is to ensure turnover in metered spaces in commercial areas. The main shopping occurring today is eating at restaurants which occurs primarily in the evening. Extending the hours ensures spaces become available at night for visitors to commercial areas.
3. Minor changes to zones
  - o The main purpose of this change is to ensure the downtown zone map accurately reflects the neighborhoods of downtown. The prior map left out streets seemingly at random and lumped the Village and Van Vorst Park into the same zone.
4. New residential zone around Holland Gardens
  - o The main purpose of this change is to ensure residents of Holland Gardens and surrounding low-rise apartments buildings have access to scarce street parking. With the rise of large, luxury towers, many street spaces are being taken by new residents who do not want to pay the fees to park in their garages. That makes find spaces for Holland Gardens residents more difficult, which this ordinance should change.
5. Limit of one residential permit for households w/parking on-site
  - o The current law allows for households to receive residential permits even if their building provides parking \*if\* the building certifies that all parking spaces are taken. This change clarifies that these households can only receive a maximum of one residential permit if their building requires .
6. Eliminates loophole on business eligibility for a parking permit
  - o The current standard for receiving a residential parking permits is actually tougher than the standard to receive a business permits. This change simply makes the standard the same.

I certify that all the facts presented herein are accurate.
